Safety Precautions

WARNING

This product is not designed or rated for ensuring safety of persons either directly or indirectly.

Do not use it for such purposes.

Do not expose your eyes to the laser radiation either directly or indirectly (i.e., after reflection from a mirror or shiny surface).

The laser radiation has a high power density and exposure may result in loss of sight.

Do not disassemble the product. Doing so may cause the laser beam to leak, resulting in the danger of visual impairment.

Laser Label Indications
